

Vendor Literature Selection for Rotary Compressor Customer Manuals

Visit the Ariel web site at www.arielcorp.com and select Support/Vendor Literature/Rotary Compressor to find vendor literature for new production rotary compressors. Always print the literature from the website to obtain the most recent editions.

Print all applicable literature in Table 1 and include it in the customer manuals.

As needed, print additional required literature as specified in the Notes below and include it in the customer manuals.

NOTES:

1. For units painted Ariel blue, include Continental Products Co. literature
2. For Ariel Technical Manuals, vendor literature, Ariel Customer Technical Bulletins, Ariel Packager's Standards, etc., visit www.arielcorp.com and click Support.

TABLE 1 Vendor Literature for Models RG282M and RG357M Rotary Compressors

Eaton Hydraulics – Vickers
