

**ARIEL CORPORATION**  
Your Future Starts Here

## About Ariel

Ariel Corporation is the world's largest manufacturer of separable reciprocating gas compressors, and for over 50 years Ariel has been a privately owned family company. Our compressors are utilized globally by the energy industry to extract, process, transport, store, and distribute natural gas from the wellhead to the end-user. Whether our first compressor or the 50,000<sup>th</sup> — Ariel sets the industry standard through expert manufacturing and design, industry-leading research and development, and unmatched customer support.

## Ariel Culture

Ariel thrives because of its extraordinary people and its exceptional work environment. We invest in professional growth, giving our employees the opportunity to build a career in an industry that is powering the future. Ariel offers a welcoming, friendly atmosphere, climate-controlled production facilities, special events for employees and their families, and opportunities for community involvement.

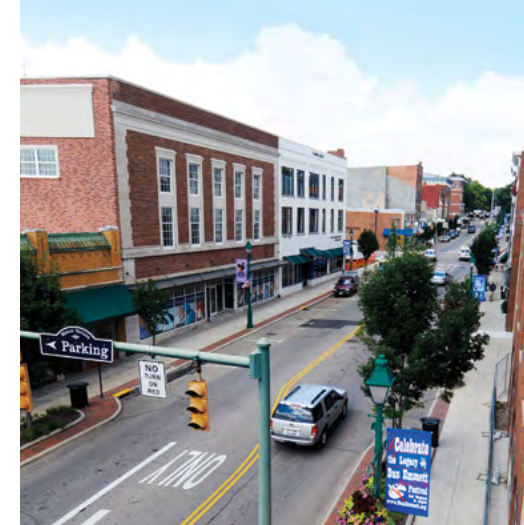

## The Communities

**Ariel-MountVernon** is home to Ariel's world headquarters and its engineering, manufacturing, and assembly operations. Located about 45 minutes from Columbus, Ohio, Mount Vernon is a small scenic city with a lively downtown with restaurants, antique stores, and other local merchants. The city is surrounded by lakes and state parks, and the city offers easy access to green spaces and recreational activities. Runners, cyclists and walkers enjoy a number of trails in the region, including the Kokosing Gap Trail that runs through the heart of Mount Vernon.

**Ariel-Akron** is focused on manufacturing in support of assembly operations at Ariel-Mount Vernon. The facility is located 30 minutes from Cleveland and offers great locations for recreation and leisure activities as well as retail centers.

**Ariel-Newark** is Ariel's newest manufacturing facility. This location offers the benefits of small-city life while still being near the I-70 corridor.
