Creating a Career at Ariel Corporation

WORLD STANDARD
COMPRESSORS

ABOUT ARIEL

Ariel Corporation is the world's largest manufacturer of separable reciprocating gas compressors, and for over 50 years Ariel has been a privately owned family company.

Our compressors are utilized globally by the energy industry to extract, process, transport, store, and distribute natural gas from the wellhead to the end-user. Whether our first compressor or the 60,000th — Ariel sets the industry standard through expert manufacturing and design, industry-leading research and development, and unmatched customer support.

WORLD STANDARD BENEFITS

KAREN BUCKWALD WRIGHT
PRESIDENT & CEO

“At Ariel, we give people the tools to do their jobs, to learn new things, to be part of the decision-making process, and to be proud of what they do. That’s what makes people happy and happy people do a better job, and because of this, we have cultivated a skilled and dedicated workforce that produces the finest compressors in the world.”

ARIEL CULTURE

Ariel thrives because of its extraordinary people and its exceptional work environment.

Ariel invests in professional growth, giving our employees the opportunity to build a career in an industry that is powering the future. We offer a welcoming, friendly atmosphere, climate-controlled production facilities, special events for employees and their families, and opportunities for community involvement.

THE COMMUNITIES

Ariel - Mount Vernon is home to Ariel's world headquarters and its engineering, training manufacturing, and assembly operations. Located about 45 minutes from Columbus, Ohio, Mount Vernon is a small scenic city with a lively downtown with restaurants, antique stores, and other local merchants. The city is surrounded by lakes and state parks, and the city offers easy access to green spaces and recreational activities. Runners, cyclists and walkers enjoy a number of trails in the region, including the Kokosing Gap Trail that runs through the heart of Mount Vernon.

Ariel - Akron is focused on manufacturing in support of assembly operations at Ariel-Mount Vernon. The facility is located 30 minutes from Cleveland and offers great locations for recreation and leisure activities as well as retail centers.

Ariel - Newark is Ariel's newest manufacturing facility. This location offers the benefits of small-city life while still being near the I-70 corridor.
